

PLAYER PASS POLICY

For all matches in the U10 through the U19 age divisions and in all inter-club U08 matches, player passes must be presented to the referees PRIOR to each match. Player passes must be signed, have a picture affixed and laminated.

In all intra-club matches in the U08 divisions and below the competition authority may set policy for player pass presentation.

This policy does not include tournament play that is governed by State Association requirements, the Application to Host, Hosting Agreement, and the tournament rules.
