

## Medical and Liability Insurance Coverage for Youth

---

Iowa Soccer Association players and coaches are covered for injuries (or death) resulting directly and independently of all other causes, from accidents occurring while participating in the following covered activities:

- Sanctioned, scheduled games, team practice sessions or sponsored activities, provided they are under the direct supervision of a team official and all participants are United States Youth Soccer Association (USYSA) members or United States Soccer Federation (USSF) affiliated members; or US Youth Soccer sanctioned local or national tournaments as a member of a contestant team.

Non-members are covered IF they participate in (1) scheduled tryouts for Level 1/Level 2 teams either organized as tryouts or a part of team practices as long as the number of tryouts or practices does not exceed three (3) per participating player; (2) organized summer day camps; or (3) programs designed for under aged children as per ISA Rules Section 3 C. These exceptions allow Member Organizations the ability to showcase their service offerings and extend “goodwill” service to nonmembers and young children in the community.
