

The **Iowa Soccer League (ISL State League)** is designed to serve competitive players/teams in the 11U – 14/15U age groups in the Spring season and is made up of multiple divisions. Please carefully review age group/division information prior to registering and placing your teams.

Purpose: The ISL is the highest level of competition for domestic league play in our pathway and league programming pathway and is guided by one overarching focus – player development. As such, all league programming strives to be in full alignment with US Soccer’s Player Development Initiatives (PDI’s). Additionally, given the importance of alignment in programming and competition standards from a player development perspective, Iowa Soccer must ensure teams, players and coaches are following US Youth Soccer rules and policies.

Player Development Standards and Priorities: The league is player-centered and focuses on what is in the best interest of long-term player development. There are several priorities that help shape the league model. These include: 1. Players play in games on a regular weekly basis which is essential for development. 2. Players play in games that have developmentally appropriate match up’s. 3. Players are coached by a licensed coach appropriate to the developmental stage. 4. Players play in games that are aligned with the U.S. Soccer PDI standards. 5. Players are officiated by a licensed referee.

CUP DIVISION: This is a division for teams planning to apply and compete in our "premier cups" including both State Cup and Presidents Cup. ISL CUP division games will be used to seed teams in our Premier Cups. Teams in this division should expect statewide travel and will play each team in the division at least once. Rosters will be required (max roster, 22 players)

SINGLE YEAR AGE GROUPS: 13U, 14U

SPRING SEASON	WEEKEND	NOTES
Weekend 1	April 6-7	
Weekend 2	April 13-14	
Weekend 3	April 20-21	
Weekend 4	April 27-28

Weekend 7	May 18-19	
Weekend 8	May 25, 26, 27	NO GAMES - HOLIDAY
Weekend 9	June 1-2	Reschedule Weekend

SCHEDULING: DIV 1,2,3 Teams may black out (2) weekends or (4) individual play dates.

The Iowa Soccer League (ISL State League) will do work to manage team blocks (teams sharing coaches or players). Team blocking efforts strive to avoid conflicts, although does not guarantee the teams will travel and play together. Clubs/Teams must work with the league to properly identify and block these teams, additionally they must be active in the schedule review process and work to optimize these blocks during that time.

The Iowa Soccer League (ISL State League) will provide clubs an opportunity to review the initial draft of schedule and be active in 'optimizing' their individual team schedules by request. Once the league schedule is published for public, league matches MUST be played as scheduled. League schedules are based on (3) primary principles including Team Availability, Team blocks, and Field Availability. Additionally, we strive to balance field usage, travel, and other factors related to referee coverage.

We appreciate your support and commitment not only to the league, but to the membership and all league participants. We look forward to working with you to provide you and your membership a quality / affordable league play experience. Thank you!!

If you have questions regarding player registration and/or team formation, please contact Casey Betting @ CBetting@iowasoccer.org.

If you have questions regarding participation in the league, team applications, or placement, contact Mike Wilson @ mwilson@iowasoccer.org or Craig Winger @ cwinger@iowasoccer.org

Thank you,

Your Iowa Soccer Member Services Team
