Looking to reschedule this game to Saturday September 26 still at 3:00 PM at SCORE complex. I've talked with the coach of NP and he said that would work. Looking at IA soccer website needs to get NP admins approval and then it can be sent to IA Soccer to confirm and update the schedule. Let me know if you need anything else

Hi Coach, I'm reaching out to see about moving our match on the 27th as I am out of town that day. Do you think we could play the day before on Saturday September 26th? I believe our field is available all day so could possibly keep everything the same just a day earlier If you want to talk in person or find texting is easier I can be reached at 515-231-9476.
